WHY SHOULD I BUY A TRAVEL PLAN?

No one expects to interrupt a trip, but it happens — an accident, illness, an emergency back home. If these events cancel or interrupt your trip, you could lose some or all of your prepaid trip expenses. The National Trust for Historic Preservation Travel Plan provides coverages that can reimburse you — plus many other valuable benefits.

And did you know...? Most personal health insurance plans, including Medicare, have very limited—if any—coverage outside the U.S. And some plans are limited even within the U.S. Medical expenses out of your plan's coverage area often must be paid out of your own pocket. This also includes the cost of an emergency medical evacuation.***

The Travel Protection Plan offers emergency medical coverage while traveling away from home.

***Consult your personal health insurance plan to understand your coverage when traveling.
