YOU'VE BOOKED YOUR TRIP.

Act Today to Insure It... and Yourself!

Plan for the unexpected.

- What if you or a family member become sick or injured prior to your departure, or worse, during your trip? Who will coordinate your change in plans?
- What if inclement weather or a natural disaster strikes your home or destination just before or during your trip?
- What if your bags containing important prescriptions are lost? Who will you call to replace your medication?
- What if a terrorist incident occurs in your destination just before your trip?
- What if travel to your itinerary starting point is somehow delayed, causing you to miss the departure of your tour?

As you prepare for your vacation, these aren't scenarios you want to think about, but they can and do happen. Make sure you're prepared for the unpredictable, especially when you're traveling far from home.

Our Travel Plan supports you by:

- Covering your travel investment against Trip Cancellation and Interruption
- Providing Trip Delay and Missed Connection coverage for your cruise and tour
- Helping to cover unplanned medical expenses that occur while on your trip
- Adding trip planning flexibility with Cancel for Any Reason (CFAR)* option
- Insuring your Baggage for loss or delay
- Giving you access to 24-hour, 365 day multilingual, worldwide emergency assistance.

Cover your travel investment.

A trip cancellation or interruption can cause you to lose some or all of your investment. The Travel Plan's Trip Cancellation and Interruption benefits reimburse your covered trip cost when you cancel or interrupt a trip due to reasons covered by the plan.

Be ready for unexpected expenses.

If your flight is late or cancelled or weather conditions prevent you from getting to your point of departure, the Travel Delay benefit will reimburse you up to \$200 a day for the non-refundable, unused portion of your covered trip cost, meals and hotels if you are delayed for more than 12 hours.

Avoid costly travel medical expenses.

Medical plans and HMOs may only provide you limited coverage outside the United States, and Medicare offers no coverage, leaving you with unexpected bills if a medical emergency strikes.

The Travel Plan's \$50,000 Emergency Medical Expense benefit and \$500,000 Emergency Medical Evacuation benefit cover you for medical, emergency dental and medical evacuation expenses incurred during your trip.

Insure your personal belongings against loss or delay.

Your baggage and personal possessions can be lost, stolen, or damaged anytime, anywhere in the world. Airlines may provide only limited coverage for your checked baggage and may not cover your carry-on items.

The Travel Plan's Baggage Loss/Delay benefits cover loss or damage to your personal effects and can reimburse your purchase of necessities if your baggage is misdirected or lost for more than 24 hours.

Cancel for Any Reason (CFAR) Option*

Upgrade the Travel Plan with CFAR so you have the option to cancel your trip for any reason. With CFAR, your pre-paid, nonrefundable trip payments are covered for up to 75% of your Total Trip Cost when you cancel your trip for any reason not otherwise covered under the Trip Cancellation benefit. See Coverage Highlights for more details.
