## WHY SHOULD I BUY A TRAVEL PLAN?

No one expects to cancel or interrupt a trip, but it happens — an accidental injury, illness, a covered emergency back home. If these events cancel or interrupt your trip, you could lose some or all of your prepaid trip expenses. The National Trust Tours for Historic Preservation Travel Plan provides coverages that can reimburse you — plus many other benefits.

**And did you know...?** Some U.S. health insurance plans may not provide coverage abroad. Moreover, some U.S. health insurance plans may be limited within the U.S. if you are outside of your plan's coverage area, resulting in out-of-pocket costs.

The Travel Plan offers emergency medical coverage while traveling away from home.
